The MS Gérard Schmitter is an intimate-sized Premium ship, measuring 110 m long and 11,40 m wide. It can accommodate 174 passengers, in 87 cabins spread over three decks. The size of each cabin is 13,50 m², offering amenities and providing guests with all the comforts they need during their stay. Decorated in subtle chocolate brown shades, combined with glimpses of rosy-lilac, gives the ship a welcoming atmosphere.

The decoration, created by Maria Rosa Rosello, pays tribute to the founder of CroisiEurope, who liked to paint delicate and flowery designs. Located on the middle deck, the restaurant, where all meals are served during the cruise, offers delicate cuisine in a refined setting, where large windows allow guests to fully enjoy the panorama.

On this same deck is also the lounge / bar with a dance floor, while on the sun deck, an ideal place to relax and admire the landscapes, passengers can enjoy comfortable sunloungers, as well as a large shaded area.
