

CRUISE OF 7 DAYS / 6 NIGHTS - REF. NCB_PP

Sun and Fun in the Balearic Islands An exciting cruise to Barcelona and the Balearic Islands (port-to-port package)

NICE - PORT MAHON - PALMA - IBIZA - BARCELONA

The sun reigns on these charming and authentic Mediterranean islands. Our cruise includes glimpses of traditional living and a plunge into the exuberant Spanish scenery. Barcelona is one of the trendiest places to visit nowadays, in part due to Gaudi's cathedral masterpiece La Sagrada Familia. The city bustles from avenue to avenue, but a moment of calm and solitude in a small square right around the corner is never far away.

CRUISE PROGRAM (7 DAYS / 6 NIGHTS)

Day 1 : NICE

Passengers are welcome to board at 6:00 p.m. We'll introduce our crew at a welcome cocktail. As we sit down to dinner, we'll begin to cruise to the Balearic Islands.

Day 2 : At sea

We'll spend the day cruising on the Mediterranean Sea. Take advantage of this time to participate in some of the activities offered on board. You might try working out in our fitness room, indulging in a massage, or just catching some rays on our Sun Deck. In the afternoon, join us for a lecture in the lounge: The Different Hues of the Balearic Islands. After, our crew will welcome you on the Sun Deck for a cocktail party with Spanish tapas and sangria.

Day 3 : PORT MAHON - Menorca

We'll arrive in Port Mahon, the first port of call in the Balearic Islands and one of the most beautiful natural harbors in the Mediterranean. Since ancient times, the well-placed port has been used—first by the Greeks, Phoenicians, and Carthaginians, and centuries later by European countries such as England, France, Germany, and even Russia.

In the morning, we'll set out on an optional guided tour of Port Mahon. We'll visit the fortress of La Mola, also known as the fortress of Isabel II, an impressive, well-preserved military stronghold built to defend the island. Today, it is a major tourist site full of history and gorgeous views of the surrounding sea. We'll also visit Mahon, the capital of the island. Visitors adore the Georgian-style mansions, old churches, vibrant markets, and charming alleyways.

This afternoon, join us for an optional excursion to Ciutadella. We'll cross Menorca by passing over the highest hill on the island, El Toro, before reaching the former capital, Ciutadella, one of the loveliest cities on the islands. Its delightful streets, palm-lined squares, and historic palaces reflect the area's importance and rich heritage.

After we return to the ship, we'll begin to cruise once again. We'll enjoy dinner and an evening of entertainment.

Day 4 : PALMA

Join us for an optional, full-day excursion to discover Mallorca (lunch included). We'll visit Valldemossa, a village steeped in old-world charm and tucked in the middle of the mountains. Our tour includes the Valldemossa Charterhouse and King Sancho's Palace. The next stop is Fornalutx, one of the most charming villages in Spain. Enjoy a traditional Mallorcan meal at an island restaurant. We'll then head to the island's capital, Palma. We'll travel through the lovely small streets of its historic district to pay a visit to the imposing 14th-century cathedral, known as La Seu. Later, there will be a lecture in the lounge: George Sand and Frédéric Chopin in Valldemossa During the 1838-1839 Winter.

We'll begin to cruise to Ibiza. Join us for an evening of dancing in the lounge.

Day 5 : IBIZA

Join us for an optional excursion to the island of Ibiza this morning. Our first stop will be Les Salinas, the paradise-like expanse of beach bordering the crystal-clear water. We'll continue on to the mountain village Sant Josep de sa Talaia to see its magnificent bright-white church and then to the coastal town of Sant Antoni de Portmany. Our last stop will be Dalt Vila, the island's fortified old town listed as a UNESCO World Heritage Site.

We'll spend the afternoon cruising. Later, there will be a lecture in the lounge: Barcelona, Capital of the Distinctive Autonomous Community of Catalonia. Join us for a snack of Spanish pastries in the middle of the afternoon.

We'll enjoy dinner and an evening of entertainment.

Day 6 : BARCELONE

This morning, we'll set out on an optional guided tour of Barcelona. This seaside city contains historical treasures that span 2,000 years: Roman ruins, medieval districts, and Modernist masterpieces. We'll visit the Gothic Quarter and its narrow streets filled with trendy bars, nightclubs, and restaurants. Along our way, we'll pass two Gaudi designs, the Casa Batllo and Casa Mila buildings. The next stop will be La Boqueria Market for a taste of some Spanish cold cuts.

This afternoon, we'll enjoy an optional tour of La Sagrada Familia and the Park Güell. La Sagrada Familia is Antoni Gaudi's magnum opus. The magnificent building has been under construction since 1882 and is an absolute must-see when in Barcelona. The church is expected to be finished in 2026, a century after Gaudi's death. Although cranes and scaffolding surround the building, its fascinating and quirky beauty remain inside and out. Afterwards, we'll take a stroll through Park Güell, another Gaudi urban masterpiece. The now-public park began as a private estate back in the 1800s. Eusebi Güell commissioned Gaudi to remodel the house and build a perimeter wall with gates. The renowned architect also helped design the estate's gardens, building a pergola and two fountains. Tonight is our festive gala evening.

ADDITIONAL INFORMATION

INTERNET

SATELLITE CONNECTIONS

Our ship provides Internet connection via satellite while we cruise, which is different and slower than what we are used to through our regular home or office services. We cannot guarantee connection at all times. Please keep this in mind while you are enjoying your vacation with us.

TELEPHONE SERVICE

DURING CRUISE

When we are at sea, you can connect your device(s) to the onboard GSM/3G network. Your service provider will automatically send you the terms and conditions of use for this service. You will be able to make calls, send messages, or use the Internet through this network's roaming services. The GSM network will be turned off once the ship enters a port.

WHILE IN PORT

When the ship is in a port, you will be able to receive and make calls via your international calling/service plan according to the country you are visiting.

WATCH OUT FOR SERVICE FEES

We strongly recommend that you contact your service provider before your departure; international calls and data usage can be very costly and are almost never included in basic operator packages.

PLEASE CHECK THE SETTINGS FOR YOUR DEVICE

Once you are on board, but before you connect to the Internet, please check the settings for your device(s). We request that you limit the downloading of videos and large-volume files. Automatic updates to your PC, tablet, and smartphones will affect the speed and cost of your connection. You probably have automatic updates for apps on your devices that you are not aware of. We recommend that you deactivate these updates while you are staying with us.

MENTIONS

Warning: Navigational obligations and weather conditions can disrupt the itinerary, and in certain cases, intermediate stops may be canceled. If this happens, CroisiEurope will do our best to find the best solution according to passenger expectations. For safety reasons, the company and/or the captain of the ship are the only authorities who can modify the cruise itinerary.
