# MS VASCO DA GAMA

Named after the famous Portuguese navigator who discovered the route to India, MS Vasco da Gama sails on the Douro. Passengers can admire the unique landscapes, sculpted by nature and shaped by man, along an enchanted valley where the famous port wine is produced.

Completely renovated in 2014, this intimate-sized ship measures 75 m long and 11,40 m wide. It can accommodate 136 passengers in 70 cabins spread over three decks. The size of each cabin is between 11 m<sup>2</sup> and 12,50 m<sup>2</sup>, offering amenities and providing guests with all the comforts they need during their stay.

The majority of cabins are located on the upper deck and have large panoramic windows. Those on the middle and main decks have large windows. The decoration is stylish and its atmosphere, both elegant and friendly, and in perfect harmony with its surroundings.

Located on the main deck, the restaurant offers a delicate cuisine in a refined setting, where large windows allow guests to fully enjoy the panorama.

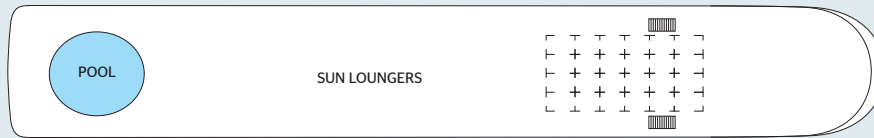

The lounge/bar with dance floor, located on the middle deck, welcomes passengers during evening entertainment.

A swimming pool and comfortable sun loungers are provided on the sun deck, with a large shaded area, the ideal place to relax and admire the surrounding landscapes.
